- You can filter what you see on the Sched platform by using the search bar in both the app and on the webpage. Try searching for 'podcasts', 'Hello Seven', or for a specific speaker to find sessions and information quickly.
- Sessions and activities may have limited capacity. These are identified by a black label in Sched that will indicate "LIMITED" (seats available), "FILLING UP FAST!" (a few seats left), "FULL", or "WAITLISTED".
- Found a session you love but are not sure where to go? Sched has a venue map and contains the room details of every session. To make sure you do not miss a single second, PRCC screens and event staff will be ready to help you find your way.
